

Material Safety Data Sheet**According to 91/155 EC and §14 GefStoffV (Germany)**

Printing date: 10.06.2005

Reviewed on 09.06.2005

1. Identification of substance:

- Product details:
- Trade name: QUIXX Finish (2)
- Manufacturer / Supplier:
E.V.I. Vertriebs GmbH
Gautinger Str. 40 A
D-82061 Neuried / Germany
- Informing department: Phone : +49 / 89 / 74 50 62-0
Telefax : +49 / 89 / 74 50 62-99

2. Composition / Data on components:

- Chemical characterization: aqueous dispersion
- Description: Special fine polishing paste
- Dangerous components: Void

3. Hazards identification

- Hazard description: Not applicable
- Information concerning to particular hazards to man and environment:
The product does not have to be labelled due to the calculation procedure of the "General Classification guideline for preparations of the EU" in the latest valid version.
- Classification system:
The classification is according to the latest editions of the EU-lists, and extended by company and literature data.

4. First aid measures

- General information: Remove any clothing soiled by the product.
- After skin contact: After contact with skin, wash with plenty of soap and water.
- After eye contact: Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.
- After swallowing: Rinse out mouth and then drink plenty of water.
If swallowed, do not induce vomiting: seek medical advice and show this container or label.

5. Fire fighting measures

- Suitable extinguishing agents: Use fire extinguishing methods suitable to surrounding conditions.
- Special hazards caused by the substance, its products of combustion or resulting gases:
Formation of toxic gases is possible during heating or in case of fire.

Material Safety Data Sheet**According to 91/155 EC and §14 GefStoffV (Germany)**

Printing date: 10.06.2005

Reviewed on 09.06.2005

- Protective equipment:
Wear self-contained respiratory protective device.
Do not inhale explosion gases or combustion gases.
 - Additional information:
Dispose of fire debris and contaminated fire fighting water in accordance with official regulations.
-

6. Accidental release measures

- Person-related safety precautions: Not required.
 - Measures for environmental protection:
Do not allow product to reach sewage system or any water course.
Inform respective authorities in case of seepage into water course or sewage system.
Dilute with plenty of water.
 - Measures for cleaning / collecting:
Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust).
Dispose of the material collected according to regulations.
-

7. Handling and storage***Handling***

- Information for safe handling: No special measures required.
- Information about protection against explosions and fires: No special measures required.

Storage

- Requirements to be met by storerooms and containers: No special requirements.
 - Information about storage in one common storage facility: Not required.
 - Further information about storage conditions: None.
-

8. Exposure controls and Personal protection

- Additional information about design of technical systems: No further data; see item 7.
- Components with limit values that require monitoring at the workplace:
The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.
- Additional information: The lists that were valid during the compilation were used as basis.

Personal protective equipment

- General protective and hygienic measures:
The usual precautionary measures should be adhered to general rules for handling chemicals.
- Breathing equipment: Not required.

Material Safety Data Sheet**According to 91/155 EC and §14 GefStoffV (Germany)**

Printing date: 10.06.2005

Reviewed on 09.06.2005

- Protection of hands: Protective gloves on prolonged contact with skin. The glove material has to be impermeable and resistant to the product. Due to missing tests no recommendation to the glove material can be given for the product. Selection of the glove material on consideration of the penetration times, rates of diffusion and the degradation.
- Eye protection: Goggles recommended during refilling and when using fas spinning polishing machines.

9. Physical and chemical properties:

- Form: Fluide
- Colour: White
- Odour: Mild

Change in condition

- | | |
|---|---|
| - Melting point / melting range: | Not determined |
| - Boiling point / Boiling range: | Not determined |
| - Flash point: | >100 °C |
| - Self-inflammability: | Product is not selfigniting. |
| - Danger of explosion: | Product does not present an explosion hazard. |
| - Density at 20°C: | 1,11 g/cm ³ |
| - Solubility in / Miscibility with water: | Miscible |

10. Stability and reactivity

- Thermal decomposition / conditions to be avoided:
No decomposition if used and stored according to specifications.
- Dangerous reactions: No dangerous reactions if used and stored according to specifications.
- Dangerous products of decomposition: No dangerous products of decomposition if used and stored according to specifications.

11. Toxicological information***Acute toxicity:***

- On the skin: No irritant effect.
- On the eye: Slight irritant effect possible.
- Sensitization: No sensitizing effect known.

Additional toxicological information:

The product is not subject to classification according to the calculation method of the General EU Classification Guidelines for preparations as issued in the latest version. When used and handled according to specifications, the product does not have any harmful effects to our experience and the information provided to us. No experimentally found toxicological data are available for this preparation.

12. Ecological information:

- General notes:

Water hazard class 1 (German Regulation) (Self-assessment): slightly hazardous for water

Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

13. Disposal considerations

Product:

- Recommendation: Disposal must be made according to official regulations.

Uncleaned packagings:

- Recommendation: Disposal must be made according to official regulations.

14. Transport information

Land transport ADR/RID (cross-border):

- ADR/RID class: -

15. Regulatory information

- Labeling according to EU guidelines:

The product is not subject to identification regulations under EU Directives and the Ordinance on Hazardous Materials (German GefStoffV).

- Observe the general safety regulations when handling chemicals.

National regulations:

- Water hazard class: 1 (self-assessment): slightly hazardous for water.

16. Other information:

- This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
